Available upon request.

Note: This is a standardized ATS-friendly resume format, ensuring your resume passes through applicant tracking systems and reaches the hiring manager's inbox.

## Tips:

1. **\*\*Customize your resume\*\***: Research the company and tailor your resume to match their requirements.
2. **\*\*Use keywords\*\***: Include relevant keywords from the job description to show you're a strong fit for the position.
3. **\*\*Quantify your achievements\*\***: Use numbers and statistics to demonstrate the impact of your projects and achievements.
4. **\*\*Keep it concise\*\***: Keep your resume to one to two pages, focusing on the most important information.
5. **\*\*Proofread\*\***: Carefully review your resume for spelling, grammar, and formatting errors.
